Subject: Concurrence with Release of Reclamation Surety, Amy Sabey, Green Mile Project, S/023/0078, Juab County, Utah

Dear Mr. Mansfield:

The Utah Division of Oil, Gas and Mining concurs with the findings of the Bureau of Land Management that the reclamation surety for the Green Mile mine site can be fully released. The Division inspected the site on July 17, 2011 and found that reclamation is complete.

The Notice of Intention to Commence Small Mining Operations, S/023/0078 (Green Mile mine), will now be closed and the file retired.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Wayne Western at (801) 538-5263.

Sincerely,

for 

Dana Dean, P. E.
Associate Director of Mining
